Work Integrated Learning

# STUDY HOSPITALITY AS A CAREER CHOICE

Vocational Education and  
Training Apprenticeship  
and Learnership  
Opportunities

## Why Hospitality?

It's creative, It's flexible, everyday is different. As well as being a people-oriented industry, hospitality is non-stop creative. You are creating a product - be that food, drink, or an experience - and there's always scope to dream up new ways of making it more enjoyable for your customers.
